

# HOW DO YOU PLAY SUGAR FALLS?

**Your mermaid mission is to get Coralie to the end of the candy cane trail to meet her friends! First one to get there wins**

**You will need a dice and counters to play - we recommend you use sweets as counters so you can eat them at the end**

**The person whose birthday is next rolls first then the person on their left goes next**

**If you land on a crab..arrr that pesky crab has stolen one space - you have move one space back and pinch your fingers like crab claws and everyone has to do a crab dance for you**

**Land on a waffle fish do your best fish lips and roll again. You lucky fish you!**

**Did you land on the squid - do your best squid wobble and move one place forward!**

**Land on a potion bottle - stand up and take a bow and everyone clap! Everyone gets to move one space forward!**

**Be the first one to get to the end and eat your treat - you deserve it! Oh yes - you are crowned the most mermazing player. Have a dance party to celebrate**
